## About Us

Atlantic Site Services LLC was created to fill the need in the construction market for a company which can develop a small to mid-sized site development project.

Atlantic Site Service's greatest strength is our diversity and ability to adapt to the needs of our clients. Our biggest competitive strength is the knowledge of the construction industry in the area and the ability to produce a high quality product within budget and on time. The staff of ASS have been working in the construction industry since 1990 in the Northern Virginia area. The company provides many years of experience in many different facets of the industry which has allowed the company the chance to gain hands on experience in all aspects of site development- from water and sewer installation, storm drainage, earthwork, clearing, concrete, paving, seeding and strawing, to landscape and erosion controls. The company's many years of diverse experience for a wide range of customers is the building block on which the Company succeeds.
